LET'S KEEP HOT SPRINGS IN THE RACE

- To Keep Jobs And Create New Jobs
- To Grow Economically
- To Give Our Visitors Freedom of Choice

VOTE FOR FULL-WEEKEND RACING ON MARCH 9.

Oaklawn Park is Arkansas' largest tourist attraction, providing more than 2000 jobs and generating more than one-ninth of the annual operating budget of the city of Hot Springs.

Oaklawn cannot compete successfully with racing facilities in Oklahoma, Louisiana and Texas unless Hot Springs voters vote to let Oaklawn offer full-weekend racing. Oaklawn is currently the largest sports franchise in the country not allowed to operate on Sunday.

By voting **FOR** full-weekend racing on March 9, you will be voting for a 20% increase in Oaklawn's business — and 20% more benefits for Hot Springs.

If Oaklawn loses the race to compete with other racing facilities, the citizens of Hot Springs will lose jobs, services, and the economic benefits of a major tourist attraction.

SHOW YOUR SUPPORT

We urge you to go to the polls on March 9 and vote FOR Hot Springs by voting for full-weekend racing.

Even if you are not eligible to vote you can still give your support by talking it up!

Keep Hot Springs In The Race Committee

GROUP THERAPY

If you're looking for a great getaway for your club, association or business, look into Oaklawn's group plans. Reserve a section of grandstand seats at group rates. Or start with group dining in the Post Parade Room. Reserve the Arkansas Room for parties, meetings, private buffets or cocktail parties. Qualifying groups can even have a race named in their honor—complete from the announcement in the Official Program to the on-track presentation of the trophy.

OAKLAWN

Thoroughbred racing since 1904

TASTES OF EXCITEMENT

THIS WEEK !!! Two important stakes races scheduled for this week figure to bring out some of the more important three-year-olds of both sexes as Oaklawn continues to present some of the highest quality racing in all of America

On Friday such outstanding fillies at Rugosa Rose, Temphillary, Proper Miss and Affirmed Classic are expected to be in the field for the $50,000-added Magnolia Stakes at one mile. Proper Miss, a half-sister to the heralded Proper Reality, and Affirmed Classic both have important distance credentials, while Rugosa Rose and Temphillary will both be trying two turns racing for the first time.

Saturday's featured $50,000-added Southwest Stakes may give the talented Dansil the opportunity to continue in his efforts to sweep the Oaklawn three-year-old stakes series, a feat never accomplished. Winner of both the Dixieland and Mountain Valley, Dansil has handled himself well with the best in the country and his record of six wins and $190,597 in earnings makes him by far the most successful of those likely to race in the one mile Saturday feature.

First post times through the week remain at 1:30 P.M., while Saturday's card begins at 1:00 P.M.

HIGHEST RACING STANDARDS

In 1942 Oaklawn and several other race tracks organized the Thoroughbred Racing Association, known as the TRA. All TRA member tracks operate under a self-imposed Code of Standards and maintain the Thoroughbred Racing Protective Bureau (TRPB) and a national investigative organization established in 1945.

Our membership in TRA and involvement in TRPB are our guarantees to our patrons that Oaklawn Jockey Club lives up to the highest standards of racing in America.
